I, _____, understand there are risks

(Print name here)

involved in participating in any sport, including windsurfing. These risks can include serious physical injury and even death. It is up to me (named above) to decide whether I am able to safely compete in any race or event based on the conditions and my own health. I do so of my own free will. Therefore, I agree to hold harmless: the Event Organizer, the Race Committee, BABA and the United States Windsurfing Association, and any agents of said individuals/organizations.
